

HEART OF THE HIGHLANDS TRAIL SYSTEM

PO Box 274, Davis, WV 26260

www.heartofthehighlandstrail.org

Employment Opportunity

The Heart of the Highlands Trail System (HOH) is seeking a motivated individual with a passion for trails and trail building to serve as Project Coordinator. The position involves coordination of all Board activities to move forward the HOH mission; to connect the non-motorized, multi-use trail systems of the five land management agencies Tucker County, West Virginia into a comprehensive, landscape oriented, environmentally sustainable, multi-use trail system that is accessible to the public.

This position includes administrative duties and field work at times requiring navigation of difficult terrain. This is a one year contractual position, averaging 20 hours per week with possibility of annual renewals.

Essential Functions and Responsibilities:

Strategic Leadership

Work with the Chair and members of the Board of Directors to further the mission of the organization, and a strategic plan encompassing an organizational vision, activities plan, and revenue plan supporting the achievement of the mission.

Revenue

Consistent with the strategic plan develop and execute a revenue plan to achieve an income stream that funds the operational activities contemplated by the strategic plan. Coordinate fund raising activities for the HOH in partnership with the HOH Board of Directors and other stakeholders.

Administration

Develop and maintain sound financial practices including preparing and complying with annual and long term budgets. Maintain official records and documents and ensure compliance with federal, state, and local regulations and grant requirements.

Connecting Trails on Public Lands in Tucker County, West Virginia
